After sending 3 kids through Redeemer’s pre-school program, I can’t say enough about how wonderful it has been for them. My kids have loved going and the teachers and support staff have been remarkable. We are definitely sad to be moving on.

Redeemer Preschool creates an atmosphere in which children are safe, feel emotionally secure, and have a sense of belonging. It provides activities and teaching strategies that are challenging but within the child’s reach. The curriculum will help children to feel confident, make decisions, and direct their own learning.
